All-Sports Bulldog Camp

Saint Ursula Academy is well known for its excellence in athletic accomplishments across all sports and has an excellent group of coaches who have set aside a week this summer to share their expertise with grade school and junior high school girls interested in all of the sports programs offered at the Academy.

June 15 through 19 we will offer a week-long camp from 9:00 am to 4:00 pm each day and over the course of the week all campers will have the opportunity to learn from our coaching staff about each of the following 12 sports:

Basketball, Bowling, Cross Country, Field Hockey, Golf, Lacrosse, Soccer, Softball, Swimming & Diving, Tennis, Track & Field and Volleyball.

In addition, each day will include a special lunchtime presentation from our "Women of Courage, Women of Integrity Program."

The weeklong Camp Fee is \$225.00 and includes a special camp t-shirt, camp beach towel, transportation to off-site locations as well as a special pizza party on the final camp day on Friday. (A bag lunch and drink is the responsibility of each camper on Monday through Thursday).

On Monday and Friday, June 15 and 19, all activities will take place on our Saint Ursula Academy campus at our Gymnasium/Convocation Center and Schottzie Field Complex. Other days we will begin and end each day at SUA but will bus to one of the below locations for the day of planned activities:

- Walnut Hills High School Athletic Field
- Juilfs Park and Lyons YMCA-Anderson
- Lunken Airport Playfield

Saint Ursula Academy Summer Sports Camps

Saint Ursula Academy has long been associated with winning sports programs and our coaching staff of over 50 coaches are highly regarded as some of the best in the area.

Boasting 18 state championships over the past 18 years our coaches and players have accomplished some awesome feats, and beginning this summer we are offering a unique new All-Sports Camp in addition to our regular summer sports camps. This new camp is designed to offer skill development in each of the 12 sports currently being offered at the Academy.

Our sports-specific camps are designed for youth who wish to become better accomplished players in their particular sport, and instruction will be led by our Varsity Head coaches with assistance from their assistant coaches and past SUA alum.
