## Bulldog Sportsmanship

St. Ursula Academy has a strong commitment to ethics, integrity and sportsmanship in its athletic programs. These values and standards carry over into the summer Sports Camp programming.

St. Ursula Academy is the only area girls high school to be recognized six times with the prestigious **Harold A. Meyer Sportsmanship, Ethics and Integrity Award** from the Ohio High School Athletic Association (OHSAA).

This award is presented to schools who take significant steps to not only emphasize sportsmanship to students, coaches, parents and fans, but also to emphasize the values of ethical behavior and integrity.

SUA has taken its position on ethical sportsmanship seriously with the formation of the Good Sportsmanship Committee in 2004. The Committee meets four times a year and consists of students, coaches, past parents and faculty members. The strict policies on ethical behavior have been consistently adhered to with the goal of promoting good sportsmanship throughout SUA to include the student body and all of the fans.

## Saint Ursula Academy Summer Sports Camps

Saint Ursula Academy has long been associated with winning sports programs and our coaching staff of over 50 coaches are highly regarded as some of the best in the area. Boasting 19 state championships over the past 20 years our coaches and players have accomplished some awesome feats, and again this summer we are offering a series of sports camps designed to offer skill development to the youth around the greater Cincinnati area.
